

WAKE ROBIN NURSERY

SUMMER CATALOGUE

Welcome to my 2024 Catalogue

Wake Robin Nursery is situated in Balclutha, a small town about 80 kms south of Dunedin. The nursery has mainly hardy perennials and potted bulbs. You are welcome to visit by arrangement.

Please let me know if you do not wish to receive this catalogue in the future or pass this on to a gardening friend.

Mail Order Terms

There is no minimum order although freight costs make small orders very expensive. Order forms are enclosed for your use. Post office box numbers are not satisfactory. Please include alternatives to avoid disappointment as some plants may sell out quickly.

Postage and Packing . Orders will be sent by Courier. All Rural delivery addresses are \$8.20 extra

Nationwide – shoebox size. Up to 2 kgs – may not be applicable when plants are taller. \$9.80

South Island – per box

Dunedin City– to 25 kgs	\$5.00
Central Otago – to 25 kgs	\$10.50
Palmerston to Christchurch, Haast, Southland – to 20 kgs	\$12.00
North of Christchurch – to 15 kgs	\$19.60
North of Christchurch – to 20 kgs	\$28.20

North Island

Small box – under 5 kgs	\$20.50
Up to 15 kgs	\$29.30
Up to 20 kgs	\$42.60

Many smaller towns are now considered to be Rural delivery. This charge is \$8.20. Please contact me if you are unsure about this. You have the option of collecting your parcel from an alternative address or your nearest Aramex courier depot. Please check the plants before signing for them. If your parcel does not arrive in first class condition, please telephone me. Also notify your depot so they can see the damage and then we can claim a refund from them. Please do not replot the plants or destroy them or plant them in your garden.

Payment Options – Eftpos, Online banking or bank deposit. All prices are GST inclusive.

Thank you for your order.

‘We don’t ask a flower any special reason for its existence.
We just look at it and are able to accept it
as being something different for ourselves.’ – G Brooks.

Bulbs

Eucomis – white with pink tinge Large bulbs – have flowered D \$6.00
Height to 45 cms+. Sun and good drainage. Autumn flowering. Potted.

Eucomis – white with pink tinge Medium sized bulbs D 3 for \$12.00
Height to 45 cms+. Sun and good drainage. Impressive in autumn. Potted.

Galanthus nivalis ‘Sam Arnott’ Summer/autumn dormant 3 for \$15.00
(Snowdrops). Supposed to be the easiest and one of the nicest to grow with very large flower.
Delightful in july/august for the first of the spring bulbs. Very good drainage, sun to part shade.

Haemanthus Albiflos Few \$12.00
White. 2 to 3 leaves in 2022. Lovely smooth and shiny leaves, long flowering season and red berries.
Dappled shade or in pots. To 25 cms when in flower. Plant with the upper half of the bulb above the
soil level. The compact flower heads are up to 5cm wide, consisting of numerous erect, narrow white
flowers. The erect stamens protrude conspicuously beyond the tips of the flowers and the anthers turn
yellow or orange when ripe. Protect from hard frost – not fully hardy.

Leucojum aestivum 5 bulbs for \$7.50
To 60 cms. (Summer Snowflake). Nodding bell-shaped, white, green-tipped flowers in spring.
Suitable for naturalising, rock gardens, under shrubs and trees, woodland gardens and in flower beds.

Leucojum aestivum 20 medium sized bulbs \$20.00
Leucojum aestivum 50 small sized bulbs \$15.00

Lilium martagon Orangy yellow/pink D \$13.00
Beautiful variety with orangy yellow flowers. The reverse side of the deeply recurved petals are
pink/yellow . Species lily. Summer flowering. Some shade is fine. Good drainage.

To 40 cms. Drought tolerant alpine. Long stems with clusters of light yellow flowers in summer. Average/dry/sandy well-drained soil. Attracts insects.
- Dictamnus albus albiflorus* (Burning Bush) D \$11.00
Rare. Year two plants – may take 2 years to flower. Mature plants grow to about 90 cms. Highly fragrant, white, 5-petalled flowers with long, projecting stamens are borne in long, open racemes in early summer. They and the unripe fruit, produce an aromatic, volatile oil which may be ignited in hot weather. Specimen plant best planted where you can brush past it so the beautiful fragrance is released. Suits a perennial border. Grow in dry, well drained, moderately fertile soil in full sun.

'Different flowers look good to different people. Pick the flower when it is ready to be picked. The flower that you spent time to care for does not grow while the willow that your accidentally planted flourishes and gives shade.' – Chinese proverb.

Dictamnus albus var. purpureus (Burning Bush). Year one plants. May take 3 years to flower. Mature plants are 80 to 90 cms. Highly fragrant, purply - mauve, 5-petalled flowers with darker veins and long, projecting stamens are borne in long, open racemes in early summer. Specimen plant in garden and best planted where you can brush past them so you can enjoy the fragrance released.	D	\$10.00
